

Day Skipper- Pupil

Module 11 – Pilotage + General Assessment Paper

Correction of GPS Ex 6 We will return to this area in Module 12

Pilotage “ The art of navigating in confined waters”

Must visualise chart as reality – use Almanac, Pilot Book, OS map, tourist books, postcards, photos, web,(Google Earth is brilliant!) magazines etc

Plan must be made in advance – have plan on deck with full information

Transits, back bearings,clearing bearings, tools used. (Pg 68- 71).

Example of Pilotage plans.

Work to do before Module 12 This is detailed below
